The Annex is an integral part of this certificate.

This certificate attests that all provisions described in relevant parts of the standard

EN ISO 12100:2010, EN 60204-1: 2018

are addressed in the accompanying product documentation. The CE mark as shown in the Regulation (EC) No 765/2008 can be affixed, under the responsibility of the manufacturer, after the completion of EC declaration of conformity and compliance all the relevant directives.

The certificate has been issued on **11 September 2024** and is valid until **10 September 2029** and is based on the evaluation of the technical file of the machinery device. The voluntary certification does not imply an assessment of the production and it does not permit the use of a mark of conformity or of a safety mark of the LL-C (Certification). The holder of this certificate may use this certificate together with his EC declaration of conformity. This is not NB statement. The initial certification date of issue is 11 September 2024.
